From Indianapolis Radio Club, Inc.
SPECIAL PROGRAM - FRI. - NOV. 24th, 1972.

PROGRAM MEETING:

"SEE A DEMONSTRATION OF "SLOW SCAN TELEVISION" with some of the latest equipment. M. C. "Bart" Bartlett W9MC will show how to operate on SSTV using a Robot Camera, Monitor and also use tape playback. SSTV is becoming very popular, come see what it takes to get on the air.

We extend a special invitation to any of the local TV club members for this program. Come visit us and bring us up to date on your activities and what is going on in local Amateur TV circles.

AWARDS DINNER: The dinner Nov10th awarded our Annual "Appreciation plaque" to another outstanding amateur -- Bill Johnson W9BUQ

Bill has served as SCM worked on many disaster nets, visited most hamfests and meetings and served ham radio in many ways. He truly is a fine Amateur Radio Operator.

Following the dinner Alvey Pittman W9EL have a fine slide show of his trip to Italy and a few insights into how to travel and make friends quickly.
